Mr. Joseph W. Hill,

C/O The Atlanta Directory,
Atlanta, Ga.

Dear Mr. Hill:—

Complying with your request for an expression of our opinion regarding The Atlanta City Directory as an advertising medium, would say that we have found it to be one of the very best business "pullers" we ever used.

As you know, we had a rather poor opinion of it before you induced us to try the test advertisement last year.

The results of that advertisement have been far greater than we ever received before from the investment of a similar amount of money.

You may continue to carry our advertisement, because we believe your Directory is like our goods—the best obtainable.

Wishing you success, we are,

Yours very truly,

R. M. ROSE COMPANY,

Randolph Rose

President.
